Al Rawasi Office

For Printing and Transaction Clearance

Our Services

We offer a wide range of smart government and private services, integrated under one roof while striving to implement the highest quality standards.

We also ensure speed and accuracy in completing transactions through a variety of service delivery channels, whether by visiting a service center, Or through the website. We also provide all court services across the Emirates, including public prosecution services, in addition to services from the Ministry of Human Resources and Emiratisation and the Federal Authority for Identity and Residency.
